Friendly reminder to please pick up your child on time after class or special event.

MAKE UP DAY

Your child is allowed to make up in another class when they miss their class. You may call or stop by the front desk to schedule a make-up. We do not offer makeups for days we are closed for holidays. We also DO NOT carry make ups from previous session to new session.

SICK POLICY

Please do not send your child to class if they have had a fever in the last 24 hours or show any signs of illness. If they or anyone in the family have been exposed to Covid-19, please keep them home for 10 days. We allow makeups so there is never any reason to risk the spread of Covid-19. If your child does contract Covid-19, please let us know so that we can let anyone who has been exposed know. Student's name will be confidential. Thank you for your help in keeping our students safe.

PARKING

Recently, we have experienced a growing number of concerns regarding the Fire Lane. Firstly, the fire lane is for fire and emergency vehicles. It is not a special use parking space, nor is it a place to wait for child to exit the building. Thank you for your continued cooperation and willingness to work with us for the safety of our students.
